

## **GCS CORE VALUES**

### **GLORIFY**

| **verb** | To make glorious by bestowing honor, praise, or admiration—to represent—to give glory.

We believe that you were created to glorify God and serve Him forever.

Glorifying God is more than what happens in the church. It is a 24/7 devoted lifestyle that brings glory to God.

### **GROW**

| **verb** | To develop to maturity—to assume some relation through a process of growth—to develop through a parent source.

We believe that the goal for each person is growth. As healthy individuals growth is necessary to sustain life. Our passion is that each student would grow, stretch, and soar spiritually.

### **GO**

| **verb** | To move on a course - to travel to a place - to take a certain course or follow a certain procedure.

We believe that God has called us all to take him where we go and to go with Him wherever He leads.
