WELCOME BACK

BY DR. PORTER

Parents,

The first two days went by quickly and smoothly. We will continue to work on parent drop off remember you can stay in the lane closest to the building if you are just dropping off, the far lane for drop-off is for those that need to park and come in, remember to use the crosswalk! For pick up, we will continue to work to be a little quicker that will come in time after we get to know the cars and the students.

Please read all of the other areas of the newsletter carefully so that you are aware of all that is needed for kids' daily and important announcements that we want to make sure you are aware of.

On behalf of all of the staff thank you for your continued prayers for your kids and us as a school.

GCS

"Where learning is just the beginning"

FINDING PEACE IN THESE FIRST WEEKS

BY MS. TAMMY

Hi everyone! My name is Ms. Tammy. I've worked at GCS for 5 years! I am here, in part to support the students, staff, teachers, and families in any way that I can, and I am also Dr. Porter's assistant.

One of my main focuses this year will be continuing to help us all grow in kindness, love, empathy, and peace.

Jesus has set the example for us in all these areas, and I look forward to how God will help us better live out the qualities of Jesus through the Holy Spirit!
